Sir,

OFFICE OF THE MINISTER FOR AGRICULTURE MAR 1 19[illegible] No 5154

Subject.- Purchase of a building No.101/2(Chatra) by the Minor Municipal Council, Talkad for using it as a Municipal Warehouse.

I have the honour to forward herewith a report No 100/45-46 dated 14-1-46 received from the President, Minor Municipal Council, Talkad together with the Copy of the resolution passed unanimously by the Municipal Council at its ordinary meeting held on 18-12-45 re. the purchase of a building No. 101/2(Chatra) situated by the side of the main road belonging to one Lakshmiramma and Channabasavaiah proposing to meet the cost out of the closing balance of the Municipality and seeking sanction thereto.

It is stated that though the building is situated on the road side there has been no demand for building on this side of the road, that it is very convenient to the Municipality and is a good property to be acquired and the owners have agreed to give it away for Rs. 700/-. It is further stated that the price is fair considering that a neighbouring municipal site itself was sold for Rs. 800/- and of the fact this building if sold, would fetch twice the value fixed by the Municipality, that the building is proposed to be used temporarily for locating the Municipal Office and also behind ware house till a new Municipal Building is constructed and that the cost is proposed to be met out of the closing balance of the Municipality (vide copy of resolution dated 11-1-1946 enclosed).

In these circumstances, I request you to be so good as to obtain sanction of Government to the resolution of the Municipal Council for purchasing the said private building for Rs 700/- from out of the closing balance of the Municipality. I am however permitting the President, to purchase the same in anticipation of sanction of Government since it is represented that if the building is not purchased by the Municipality immediately, it is likely to be disposed of to other private individuals by the owner.

I have the honour to be,
Sir,
Your most obedient servant,
